On Election Day, voters should go to their assigned polling place between 7:00 a.m. and 7:00 p.m. to cast their ballots. Registered voters can go to the [My Voter Page \(MVP\)](#) to check their registration status and verify polling location (some have changed), as well as, request an absentee ballot.

Camden County residents have until Monday, February 24, 2020, to register to vote in the March 24, 2020 Presidential Preference Primary. Visit the [State of Georgia’s Online Voter Registration System](#) to register to vote, check registration status, or update registration records.

All voters, through Advance In-Person or Election Day voting, will use Georgia’s new voting machines. The new system offers Camden County voters more modern, up-to date technology with important security and transparency features. The new system will also produce a paper ballot to allow for verification and auditing of election results. The State Elections Division has created a new website, <https://securevotega.com>, to share information and answer questions about the new machines. A video is also available on the Board of Elections & Registration website at: www.camdencountyga.gov/vote.
