already, and many more coming in daily, it is projected to take well over twelve (12) hours to count these ballots. Due to this extraordinarily large number of absentee ballots, it is important to note that the initial, uncertified election results may not be available until after Election Day.

During in-person voting opportunities, the BoER strongly encourages the use of masks and gloves. Social distancing is urged and voting equipment will be disinfected throughout each day of in-person voting.

Absentee ballots may still be requested through the [MVP](#). Additionally, Camden County voters who requested an absentee ballot may return their absentee ballot by mail or in person at the Early Voting site or at the BoER offices located on the 1st floor of the Government Services Complex at 200 East 4th Street in Woodbine.

All voters, through Advance In-Person or Election Day voting, will use Georgia’s new voting machines. The new system offers Camden County voters more modern, up-to date technology with important security and transparency features. The new system will also produce a paper ballot to allow for verification and auditing of election results. The State Elections Division has created a new website, <https://securevotega.com>, to share information and answer questions about the new machines. A video is also available on the Board of Elections & Registration website at: www.camdencountyga.gov/vote.
