## FOR IMMEDIATE RELEASE

# Residents Urged to Use Online Services

**WOODBINE, Ga. — July 2, 2020 —** Camden County residents are urged to utilize online or telephone services when possible due to the continued spread of COVID-19 in our community. Although county office buildings remain open to the public, many staff members are working remotely at this time to ensure proper social distancing. Beginning Monday, July 6, 2020, anyone entering a Camden County government building is required to wear a facemask to help slow the spread of COVID-19.

The [Camden County Response Framework \(PDF\)](#) describes how county government offices will function throughout the COVID-19 pandemic. Currently, offices are operating at Stage Two (2). If in-person assistance is required, members of the public are asked to call ahead to verify a department's operating hours and make an appointment to help keep building occupancies low.

The Camden County website, [www.camdencountyga.gov](http://www.camdencountyga.gov), has an [Online Payments](#) page to assist residents with conducting business online. The following offices and departments may have limited or no staff in the office, but are still available online or by telephone:
