FOR IMMEDIATE RELEASE

Take Action during Cybersecurity Awareness Month

WOODBINE, Ga. – October 1, 2020 – October is Cybersecurity Awareness Month and Camden County Emergency Management Agency (EMA) is joining with the Georgia Emergency Management Agency (GEMA) to encourage local citizens to take time to learn more about staying cyber secure.

“Cyber Security Awareness Month is a great opportunity for Camden County citizens to learn how to protect themselves before a cyber-attack occurs,” said Camden County EMA Director Chuck White. “We encourage preparedness for all emergencies and taking the necessary steps to stop unauthorized access or damage to a computer system may prevent the loss of personal information.”

Citizens and their loved ones can prepare by dedicating a little time each week this month by focusing on:

- Social Media Profile Security;
- Profile Management;
- Mobile Device Safety; and
- Phishing – Suspicious Phone Calls and Emails.

Specific information and tips will be posted throughout the month on the Camden County EMA’s [Facebook](#) and [Twitter](#) accounts. Residents can learn more tips on how to become cyber and tech ready by visiting gema.georgia.gov/plan-prepare/ready-georgia.

About Camden County: Located in the extreme southeast corner of Georgia, Camden County truly is “Georgia’s Coastal Community of Choice.” Originally formed in 1777, Camden County is best known for its rich history, natural scenic beauty and Southern hospitality. Our vision is helping to make this the best place to live by preserving and enhancing the history and quality of life, while promoting smart growth and providing an efficient, effective and responsive government.
