Camden County Launches Redesigned Website

WOODBINE, Ga. — February 4, 2022 — The Camden County Board of Commissioners is pleased to announce the launch of a redesigned Camden County government website. The website, www.camdencountyga.gov, just completed an eight month redesign process by CivicPlus, the leading government website provider. The website now has popular links readily available as well as a cleaner, easier layout to navigate.

“We look forward to Camden County residents and visitors interacting with our redesigned website,” said County Administrator Steve Howard. “Citizens can utilize this resource 24 hours a day to learn more about Camden County, find information on upcoming events, pay bills, read press releases, and more.”

Along with the redesigned website, citizens are able to utilize a chatbot feature. Frequently asked questions and popular topics are regularly updated. Additionally, [Two Rivers Gun Range](#) has an updated website.

With the new redesign, Camden County will be able to increase its community engagement and enhance the communication between residents and the local government.
