### **Daniel Richards Recognized as Camden County Government's Employee of the Quarter**

**Woodbine, GA – October 27, 2009:** At Tuesday night's Board of County Commissioner's meeting, Firefighter Daniel Richards was recognized as the Employee of the Quarter for the 1st quarter of Fiscal Year 2010 for Camden County Government. Daniel is always committed to giving more than expected and is constantly accepting new challenges with a positive attitude. He leads by example and has several collateral duties in the Department of Fire Rescue, such as special operations team member and new recruit training which make him a positive mentor to others. Daniel is a critical part of the fire rescue organization; without his contributions we would be limited in our successes and have a much less effective operation. We acknowledge Daniel Richards's service to the community, and express our appreciation for his dedication. Chief Dennis Gailey said, *"It's employees like Daniel that enable Camden County to deliver the highest level of service to the citizens. I am honored to have Daniel as a part of our team."*
