PUBLIC NOTICE:
Camden County Joint Comprehensive Plan Survey

WOODBINE, Ga. — January 20, 2023 — Camden County residents are encouraged to participate in a survey to provide input for the joint comprehensive plan.

The Coastal Regional Commission (CRC), working with Camden County and the Cities of Kingsland, St. Marys, and Woodbine, invite residents to provide feedback that will help update the joint comprehensive plan for the next five years. Comprehensive plans are required by state law and provide an opportunity for the community to speak out about future developments.

“This is a chance for Camden County residents to share their knowledge and help shape the comprehensive plan,” said Camden County Planning & Development Director Joey Yacobacci. “The survey takes a few minutes to complete and covers topics relating to Camden County’s future.”

More information about the joint comprehensive plan update, including a link to the 2018 plan, along with the survey is available online. A [direct link](#) is on the Camden County website at: www.camdencountyga.gov/CompPlan. Survey participants may choose to provide an email address to stay informed about planning efforts.
