**Camden County Receives Grant for Interns**

**WOODBINE, Ga. — February 22, 2023 —** The Camden County Board of Commissioners is pleased to announce that it is a recipient of Georgia County Internship Program (GCIP) funds from the Association of County Commissioners of Georgia (ACCG) and the ACCG Civic Affairs Foundation.

The \$4,015.20 grant will assist in funding two interns for the Camden County Board of Commissioners during summer 2023. One intern will work for Camden County Fire Rescue and a second intern will work in the Planning & Development Department. Each intern will work on specific-projects during their internships.

“These interns gain valuable job experience and Camden County residents benefit from their work,” said Camden County Grants Manager Julie Haigler. “We are thrilled to continue our partnership with ACCG and the ACCG Civic Affairs Foundation to receive this grant.”

The GCIP offers internship experiences to undergraduate and graduate level college students in county government offices throughout the state. Since its creation in 2010, over 500 students have filled internship positions in 87 counties throughout the state through this program.
