John,  
Finance did not receive Inv 01182022, dated 1/18/2022. The other invoice is dated today.

We can get both processed in next week's check run, just need your approval and confirmation to expense to SP.

Hope all is well with you. I just wanted to reach out about the previous invoice for the transcript from Camden that I haven't received payment for. I gave it an extra couple of days just in case the mail was running slow. I have also attached the invoice for takedown of the hearing on February 8th. Will you check on it for me?
