Joey Clark Recognized as Employee of the Quarter for Camden County Government

Woodbine, Ga. (October 20, 2010) – On Tuesday, October 19, 2010 at the regular scheduled Board of County Commissioner’s meeting, Joey Clark was recognized as the Employee of the Quarter for the 1st quarter of Fiscal Year 2011 for Camden County Government. Joey has been a valued employee of Camden County since September 2004 and has worked behind the scenes with Fire Rescue since November 2007 as the only mechanic to provide service and repair to the County’s rescue vehicles and equipment.

“Camden County Fire Rescue operates a 24-hour a day operation dependent upon a reliable infrastructure such as emergency vehicles and equipment to save lives and protect property. Joey’s ambition and dedication to providing superior service allows the department to be functional and always ready for the next emergency,” said Chief Dennis Gailey. “There is never a task too large or small for Joey, and he is always willing to stay as long as it takes to get the job done.”

Joey is an integral part of his department as a dedicated employee and ensuring reliable services to the citizens. Camden County Fire Rescue and our organization is greater for having him on the team.

On behalf of Camden County’s Employee Recognition Committee, we’d like to congratulate Joey on his efforts and for working with a true sense of team spirit, always being willing to help fellow workers and the public, and contributing to the effectiveness and efficiency of the County. Congratulations Joey!
