Camden County's HOPE Team Achieves Goal of \$5,000 for Relay For Life 2011

Woodbine, Ga. (May 11, 2011): Camden County Government's HOPE Committee actively participated in the American Cancer Society Relay For Life on May 6 – 7, 2011. At this event, our team camped out overnight and took turns walking around the track to raise money and awareness to help the American Cancer Society save more lives from cancer. With the help of each team member, fellow County employees, and residents and visitors of our community, Camden County's HOPE Team raised **in excess of \$5,000**, achieving their goal.

Congratulations to Stuart Sullivan, Camden County's HOPE Team member and overall WINNER of Mr. Relay 2011!

"A cancer diagnosis doesn't affect just one. The three little words "you have cancer" are heard and felt by families, by friends, and even by communities. That's why staff from the Sheriff's Office, Board of County Commissioners, and Southeastern Bank of Woodbine joined together to form Camden County's HOPE Team for this worthy event, to fight the battle against cancer. Together, as Heroes for Hope, we made a difference by fighting for a world with less cancer," said Brianna Turner, Camden County's HOPE Team Captain.

Camden County's HOPE team hosted several fundraisers between the months of January and May to help achieve their goal. These fundraisers consisted of BBQ lunches, bake sales, as well as a Kids Safety Day. Additionally, take-a-chance tickets were sold for an opportunity to win one of 4 separately themed gift baskets that were
