### Camden County Board of Commissioners Recognize the week of May 5<sup>th</sup> – 11<sup>th</sup>, 2013 as *"Emergency Medical Services Week"*

**Woodbine, Ga. (Thursday, May 2, 2013)** – Emergency Medical Services is a vital public service and the members of Camden County Fire Rescue are ready to provide lifesaving care to those in need 24 hours a day, seven days a week. Access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury. The Emergency Medical Services system consists of emergency physicians, emergency nurses, emergency medical technicians, paramedics, firefighters, educators, administrators and others.

The members of Camden County Fire Rescue, whether career or volunteer, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills and it is appropriate to recognize the value and the accomplishments of Camden County Fire Rescue by designating May 5<sup>th</sup> – 11<sup>th</sup>, 2013 as Emergency Medical Services Week. The Board of Commissioners would encourage the community to observe this week with appropriate programs, ceremonies and activities.
