**WOODBINE, GEORGIA — March 19, 2018 —** The Camden County Board of Commissioners would like to invite area residents to apply for the next Citizens’ Academy class beginning on April 19, 2018.

The Camden County Citizens’ Academy, established in 2009, is an interactive program designed to familiarize the general public with the roles, services, and operations that comprise Camden County Government. The program focuses on educating residents, business owners, and interested persons who work in Camden County on the contributions of daily County Government operations towards building a better community. A variety of Camden County staff and elected officials will lead each session.

Classes are limited to the first twenty (20) participants. The Citizens’ Academy consists of eleven sessions over ten weeks. Sessions are held on Thursday nights at 6:00 p.m., with an additional Tuesday night class to attend a Board of Commissioners meeting. Class sessions are held in varying venues across the county and will include several tours of government facilities.

All Camden County residents are welcome and encouraged to apply. For more information and to complete an application, visit [www.camdencountyga.gov](http://www.camdencountyga.gov) and click the Citizens’ Academy logo at the bottom of the home page.
