**Camden County Receives Grant for Interns**

**WOODBINE, GEORGIA – February 22, 2019** – The Camden County Board of Commissioners is pleased to announce that it is a recipient of Georgia County Internship Program (GCIP) funds from the Association of County Commissioners of Georgia (ACCG). The \$3,346 grant will assist in funding two interns for summer 2019. One intern will work for the Camden County Board of Commissioners in the Administration Department and one will work in the Finance & Budget Department.

The GCIP offers internship experiences to undergraduate and graduate level college students in county government offices throughout the state. Created in 2010, with funding from the Georgia Department of Labor, to date, over 350 students have filled internship positions in 68 counties throughout the state.

“These interns will gain valuable experience and Camden County residents will benefit from their work,” said Camden County Grants Manager Julie Haigler. “We are excited to receive this grant from ACCG.”

From Left: County Administrator Steve Howard, Commissioner Lannie Brant, Deputy County Administrator Shawn Boatright, Commission Chair Jimmy Starline, Grants Manager Julie Haigler, Interim CFO Nancy Gonzalez, Commissioner Ben Casey, and Commission Vice-Chair Gary Blount.

This is the fourth consecutive year that Camden County has received this funding. Undergraduate and graduate level college students are encouraged to apply. Specific information, including job descriptions and how to apply, will be available this spring on the Camden County website, [www.camdencountyga.gov](http://www.camdencountyga.gov).
